List of Reference Marks

- 001: packet data generating means
- 002: sync pattern generating means
- 003: sync pattern generating control means
- 004: header data generating means
- 005: transmitter
- 006: transmission header generating means
- 4001: receiver
- 4002: sync pattern detecting means
- 4003: header data extracting means
- 4004: DIF sequence extracting means
- 4005: sync pattern securing means
- 4006: switch
